1001 N. Central Avenue, Phoenix, AZ 85004**

The Maricopa County Environmental Services Department (Department) will host an initial Stakeholder Meeting to introduce, discuss, and obtain preliminary input regarding a proposed new code revision to the Maricopa County Environmental Health Code (MCEHC). The subject matter to be discussed at the Stakeholder Meeting includes:

Case #/Title: ES-2014-003/Food Service Worker Certification

Overview: This proposal will revise MCEHC Chapter VII to align with the recently enacted A.R.S. § 11-269.12 Food handler training and certificate. Through emphasizing training this change will allow for an open marketplace for Food Employees or Food Service Workers (FSW) to receive training from any entity meeting A.R.S. § 11-269.12 requirements. Demonstration of Food Employee training can be shown through a valid certificate from a training course meeting State Statute requirements or by having a valid Arizona County issued FSW ID card or certificate.
